

IFAF Announces Rhett Foundation as Diamond Sponsor

ALPHARETTA, GA - December 20, 2017 - Dr. Dock Dockery, Director of the International Foot & Ankle Foundation for Education and Research (IFAF) has announced that the newly organized non-profit Rhett Foundation for the Advancement of Podiatric Medical Education has become IFAF's newest 2018 Diamond Sponsor and has provided a substantial educational gift to partially benefit our organization through residency education, surgical training workshops, research projects, and to help support the Yucatan Crippled Children Project.

G. Dock Dockery, DPM and Bradley Bakotic, DPM, DO

"Dr. Bradley Bakotic, a long-time, active member of the IFAF Board of Medical Advisors, has been a major contributor to the support and education of podiatric teaching organizations and we are grateful for his commitment to further IFAF's mission of providing the highest level of continuing podiatric medical education and research around the globe," said Dockery.
